The vending product machines shall be serviced at least once a week and maintained according to the Concessionaire's maintenance program. If a product is empty in a machine, it must be refilled within two (2) days of notification by a Government representative. All calls from the contracting officer or another Government representative to the contractor shall be returned within twenty-four (24) hours. All vending machines will be affixed with a four (4) square inch "State of Washington Department of Services for the Blind" sticker, a Warning Label, and a sticker explaining how to report a problem with the machine. Also affixed to the machine will be refund request envelopes. These stickers and envelopes will be provided by the contractor. See Attachment 2 for samples.

In general, the vending machines will be used Monday through Friday, excluding Federal Holidays, Christmas shutdown, and base closure days. The following information is also provided:

Estimated Population of NUWC

Number of Civilian Employees: 1,433

Number of Military Personnel: 21

Number of Contractor Personnel: 685

Concessionaire shall pay the NAFI either a sum equal to percent (____%) of gross sales or a predetermined monthly fee in the amount of (\$_____). Payment of fees due the NAFI must be made monthly by the fifteenth (15th) of the next month and with submission of the Concessionaire Settlement Report (see paragraph 19).

CONCESSIONAIRE SHALL:

1. Provide products or services of a quality satisfactory to the NAFI Contracting Officer or his or her authorized representative.
2. Submit a listing of items, with corresponding selling prices, to the Contracting Officer for approval or disapproval action. The final approved listing is considered a part of this agreement. Before beginning performance, the Concessionaire shall place the price list in a conspicuous spot for patrons to see.
3. At Concessionaire's own expense, obtain all permits, give all necessary notices, pay all license fees, and comply with all municipal, prefectural, and national laws, rules, ordinances, and regulations, and any publication published by the military relating to public health or applicable to the business carried out under this agreement and assume complete and sole liability for all national, state, and local taxes applicable to the property, income and transactions of the concession.
4. Comply with all applicable laws pertaining to wages, workers' compensation, equal opportunity, Service Contract Act, and so forth, as implemented by Navy directives and required by law.
5. Comply with all memoranda, bulletins, and letters of instruction issued by or in behalf of the NAFI Contracting Officer.

6. Keep the concession area clean, orderly, attractive, secure, and in a safe and sanitary condition to the satisfaction of the NAFI Contracting Officer, but make no alterations to Government furnished property or premises.

7. Employ only persons who meet the health standards prescribed by law or regulations, which pertain to the jobs for which they are hired.

8. Furnish a sufficient number of trained employees for the efficient performance of this contract. Concession personnel shall meet the health and security standards prescribed by applicable regulations, and shall obtain installation passes and permits and security clearances as applicable. Concession personnel shall give prompt and courteous treatment to authorized customers and shall be neatly dressed and meticulous in their personal grooming at all times. Concessionaire shall provide employees clean uniforms, or when uniforms are not required, ensure that all clothing worn by employees is clean and in good condition at all times.

9. Remove from employment in the concession, at the request of the NAFI Contracting Officer, any servant, agent or employee of the Concessionaire if, in the opinion of the NAFI Contracting Officer or his/her authorized representative, the conduct of such person, while in and about the premises covered by this contract, interferes with proper services or discipline.

10. Furnish, at Concessionaire's own expense (if required by the Contracting Officer) suitable bags, "sold" labels, and so forth, for securing a customer's purchase. If required, the packaging will be as approved by the Contracting Officer. All items will be marked to reflect the selling price.

11. Furnish, at Concessionaire's own expense, all trade fixtures, tools of the trade, and supplies required for performance of this contract.

12. Provide products to sell that are marketable and sufficient for use intended, and not "seconds" as the term is usually understood in the trade. As a minimum, they will be equal to products provided by first quality commercial establishments. All items will be acceptable to the customer and the Contracting Officer and will be subject to inspection and test for workmanship and quality at all times by the Contracting Officer or designee. Any item found to have a latent defect(s) may be

returned to the Concessionaire for replacement or refund as determined by the Contracting Officer.

13. Agree to adhere to the NAFI policy of customer satisfaction guaranteed and shall be responsible for refunds to customers due to customer dissatisfaction with an item or due to overcharges. All customer complaints, claims, and refunds will be resolved and made at Concessionaire's expense. Any disagreement that cannot be resolved between Concessionaire and the customer will be referred to the Contracting Officer, whose decision will be final and not subject to the Disputes clause. If Concessionaire fails to timely process complaints or claims and make refunds, NAFI may settle customer complaints or claims and make such refunds, and charge the Concessionaire's account.

14. Obtain insurance for all non-Government property and merchandise used by the Concessionaire in the operation of the concession against theft, fire, storm, flood, and damage, or destruction through any other force of nature in accordance with attached clause titled "Insurance."

15. Be responsible for all operating expenses not expressly undertaken by the NAFI. Concessionaire operating expenses are to include all expenses necessary to provide the services (i.e. supplies, salaries, taxes, etc.). NAFI will not undertake any expenses.

16. Turn over the entire daily receipts of the concession to the NAFI at the end of each day or as otherwise specified in this contract.

17. Maintain control sheets, showing all income received, according to instructions prescribed by the NAFI. Any failure by the Concessionaire, its servants, employees, or agents to enter all monies received on these control sheets will be cause for immediate cancellation of this contract and the basis for criminal action against the Concessionaire.

18. Accept national charge cards customarily recognized in commercial trade for customer payment of purchases (optional). Concessionaire is responsible for the payment of any fees, charge backs, or other costs levied by the charge card companies.

19. Prepare a Concessionaire Settlement Report at the conclusion of the sales period or as specified by the Contracting Officer. Report shall be signed by the Concessionaire showing the gross

sales for the period and percent due the NAFI, and giving the NAFI the fees due for that period. The Navy Audit Service personnel or any person designated by the NAFI shall have the right to inspect or audit the accounts and methods of internal control established by the Concessionaire and to make such inspections or audits as may be considered necessary to ensure strict compliance by the Concessionaire with all provisions of this agreement and with applicable Navy regulations.

20. The NAFI may charge the Concessionaire for a dishonored check received from the concessionaire, except when the bank acknowledges the return to be the result of bank error or the return is the result of a NAFI error. The amount charged by the NAFI will not exceed the administrative amount normally charged NAFI customers for dishonored checks. The Contracting Officer may require payment to be made in cash, certified check, or cashier's check.

21. The Concessionaire shall charge for merchandise or services involved only those prices established in the Price Schedule.

CONCESSIONAIRE SHALL NOT:

1. Represent or permit itself to be represented to the public as an agent or employee of the NAFI by the use of the name of the NAFI on letters, bills, signs, or by any other means. The Concessionaire, its servants, agents, and employees, are in no sense agents of the United States, the NAFI, the Commanding Officer of the installation within which the concession exists, or of any other entity having to do with the operation of NAFI business.

2. Sell, remove or in any way alter any property which is owned by the NAFI or any other part of the Federal Government and is used in the operation of the concession.

3. Engage in or permit gambling or possession or use of any gambling device on the concession premises.

4. Sell, deal in, or otherwise possess or transfer, on the concession premises, any form of intoxicating liquors or narcotics.

5. Loan money to or borrow money from customers or others, which includes Federal Government (including NAFI) employees and military personnel.

6. Sell merchandise or services for anything other than US currency.

7. Sell merchandise or services on credit.

8. Give or offer to any officer or employee of the NAFI, or any other part of the Federal Government, any gift, privilege, special benefit, discount, or anything else of material or personal nature whereby the individual or employee would receive preferential treatment.

THE NAFI WILL:

Furnish sufficient quantities of space, heat, water, and electricity to satisfy the normal needs of Concessionaire for lighting, heating, drinking, sanitation, and the operation of suitable support equipment therefore. NOTE: If the Concessionaire is required to reimburse the United States Government for utilities furnished, the reimbursement will be at rates set by the Commanding Officer.

CONTRACT DURATION:

1. This agreement shall be for one year from 13 March 2004 or date of award, whichever is later, through one year thereafter, unless sooner terminated as hereinafter provided. The contract may be extended for additional periods (when in the best interest of the Government, price and other factors considered). The extensions may not exceed one year. In no event, however, will the period of performance exceed five (5) years. (See Supplemental Clauses, paragraph 2)

2. This agreement will be automatically terminated in the event the NAFI is liquidated. This agreement may be terminated by either party upon 120 days written notice. If the Contractor fails substantially without good cause to perform his agreements under this contract, the NAFI may terminate this contract under the clause titled "Termination for Default."

3. Upon expiration of this contract or upon termination as provided herein, Concessionaire's property shall be immediately removed from the premises. Upon failure to do so, the NAFI may cause such property to be removed at the Concessionaire's expense.

4. Any money due and payable to the NAFI from the Concessionaire as a result of this contract shall remain due and payable.

TAXES.

1. Where a state law imposes a sales tax on the sale of the item and/or service by the Concessionaire to the authorized customer, the sales tax will be separately stated from the sales price, added to the price in the price schedule and collected from the customer. A price list will be kept conspicuously posted at each place of business of the concession. Articles stocked for sale will be individually price marked.

2. The Concessionaire assumes complete and sole liability for all federal, state, host country, and local taxes applicable to the property, income, and transactions of the Concessionaire, and where required by applicable laws and regulations, will collect and remit to the state applicable sales taxes. Sales taxes which have been collected are excluded from the computation of gross receipts in the determination of the fee payable to the NAFI. The amount of taxes so excluded will not exceed the actual sum payable to the state. Where required by state law or regulation, Concessionaire shall obtain and conspicuously display the state sales tax permit.

3. The Concessionaire warrants that the contract prices or other considerations do not include any tax or duty from which the Concessionaire is exempt under the laws of the United States, State, or host country wherein contract performance is effected. If any such tax or duty has been included in the pricing or consideration through error or otherwise, the contract pricing or consideration shall be correspondingly reduced or adjusted. If for any reason after the contract date, the Concessionaire is relieved in whole or in part from the payment or the burden of any tax or duty included in the contract pricing or other consideration, the contract pricing and/or other consideration shall be correspondingly reduced or adjusted.

PREMISES.

The assignment of space is revocable and is not construed as the creation of tenancy. Concessionaire is liable for any damage to or loss of the premises and NAFI furnished property or injury to persons resulting from acts or omissions of Concessionaire, its employees, or agents whether or not covered by insurance.

Sublet of any of the premises assigned or assignment to another concession is not authorized. Use of the premises and NAFI furnished property for any purpose other than those specifically set forth, or unauthorized use by any of its agents, representatives, or employees is prohibited. IMPORTANT: Concessionaire shall not make any alterations to Government owned equipment or facilities. Concessionaire will comply with the installation fire and safety regulations, and applicable health and sanitation regulations. Concessionaire will post or display on the premises any sign furnished by the NAFI.

TERMINATION:

1. Notwithstanding the attached clause titled "Termination for Convenience" relative to termination of this Concessionaire contract, it is mutually agreed that this contract may be terminated by either party upon 120 days written notice to the other party.

2. Upon termination or expiration of this contract, Concessionaire will promptly settle its account with the NAFI, including payment in full of all amounts due, yield up the facilities and all NAFI-furnished property, clean and leave premises in as good order and condition as when received (damage due to acts of God or the US Government, and ordinary wear and tear excepted), surrender all installation passes, decals, and so forth, and complete satisfactory settlement of all customer complaints and claims. Termination of the Concessionaire contract does not release the Concessionaire from the obligation to satisfactorily settle customer complaints and claims. The Concessionaire will promptly remove all Concessionaire-furnished trade fixtures, tools of the trade, and supplies. On failure to remove the Concessionaire's property, the Contracting Officer may cause Concessionaire's property to be removed and stored in a warehouse at the Concessionaire's expense. If the Concessionaire is indebted to the NAFI, the Concessionaire authorizes and empowers the Contracting Officer to take possession of the Concessionaire's property and dispose of same by public sale without notice, and out of the proceeds of sale, satisfy all costs and indebtedness to NAFI.

CLAIMS BY CONCESSIONAIRE:

1. No claim by the Concessionaire relating to this contract may be considered by the Contracting Officer unless such claim is submitted in writing to the Contracting Officer not later than

90 days after the effective date of termination or expiration of this Concessionaire contract.

2. The Concessionaire shall indemnify, save harmless, and defend the NAFI, U.S. Navy and the Federal Government from and against any and all claims, demands, actions, debts, liabilities, and attorney's fees arising out of, claimed on account of, or in any manner predicated upon loss or damage to the property of the injuries or to death of any and all persons whatsoever, in any manner caused or contributed to by the Concessionaire, or the Concessionaire's agents, servants, or employees while in, upon, or about the military installation wherein the concession is located, or while going to or departing from the same and to indemnify and save harmless the NAFI from and on account of damages of any kind which the NAFI may suffer as the result of the acts of any of the Contractor's agents, servants, or employees in or about said military installation.

NONWAIVER OF DEFAULTS:

Any failure by the NAFI to enforce or require strict performance of any terms or conditions of this Concessionaire contract will not constitute a waiver, and will not affect or impair such terms and conditions in any way or affect the right of the NAFI at any time to avail itself of such remedies as it may have for breach or breaches of such terms and conditions.

Any advertisement, including cents off coupons, which refers to a NAFI will contain a statement that the advertisement is neither paid for nor sponsored in whole or in part by that particular activity.

3. ASSIGNMENT. A Contractor may not assign their rights or delegate their obligations under this contract without prior written consent of the Contracting Officer.

4. COMMERCIAL WARRANTY. The Contractor agrees that the supplies/equipment or services furnished under this contract shall be covered by the most favorable commercial warranties the Contractor gives to any customer for such supplies/equipment or

The printed terms and conditions of such warranty will be provided to the NAFI with the delivery of any supplies/equipment or services covered.

5. DISCOUNTS FOR PROMPT PAYMENT. In connection with any prompt payment discount offered, time will be computed from the date of the Contractor's invoice. Payment is deemed to have been made as of the date on the payment check or date on which electronic funds transfer is made.

The decision of this authority shall be final and conclusive. If no such appeal is filed, the decision of the Contracting Officer shall be final and conclusive. The Contractor shall be afforded an opportunity to be heard and to offer evidence in support of any appeal under this clause. Pending final decision on such a dispute, the Contractor shall proceed diligently with the performance of the contract and according to the decision of the Contracting Officer, unless directed to do otherwise by the Contracting Officer.

7. EXAMINATION OF RECORDS

The Contractor agrees that the Contracting Officer or his/her duly authorized representative shall have the right to examine and audit the books and records of the Contractor directly pertaining to the contract during the period of the contract and up to three years after contract expiration date and final payment.

b. The Contractor agrees to include the clause in "a" above in all subcontracts thereunder which exceed \$10,000.

8. GRATUITIES

a. The NAFI may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this contract if it is found after notice and hearing, by the Commanding Officer, that gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by the Contractor, or any agent or representative of the Contractor, to any officer or employee of the Government or the NAFI with a view toward securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing of such contract.

b. In the event this contract is terminated as provided in paragraph "a" hereof, the NAFI shall be entitled (1) to pursue the same remedies against the Contractor as it would pursue in the event of a breach of contract by the Contractor, and (2) as a penalty in addition to any other damages to which it may be entitled by law to exemplary damages in an amount (as determined by the Commanding Officer), which shall not be less than three nor more than ten times the cost incurred by the Contractor in providing any such gratuities to any such officer or employee.

c. The rights and remedies of the NAFI provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

9. HOLD AND SAVE HARMLESS. The Contractor shall indemnify, save harmless and defend the NAFI, its outlets and customers from any liability, claimed or established, for violation or infringement of any patent, copyright or trademark right asserted by any third party with respect to goods hereby ordered or any part thereof. Contractor further agrees to hold NAFI harmless from all claims or judgments for damages resulting from the use of products listed in this contract, except for such claims or damages caused by or resulting from negligence of the NAFI customers, employees, agents or representatives. Also, the Contractor shall at all times hold and save harmless the NAFI, its agents, representatives, and employees from any and all suits and expenses which arise out of acts or omissions of the Contractor, its agents, representatives, or employees.

10. INSPECTION. Unless otherwise provided herein, inspection shall be made after receipt of the supplies/equipment by the ordering activity, or after completion of services by the Contractor. Inspection and acceptance shall not be conclusive, with respect to latent defects or fraud, or with respect to the

NAFI's rights under the Proof of Shipment provisions contained herein. In case any supplies/equipment or services are defective in material or workmanship, or are otherwise not in conformity with the requirements of this contract, the NAFI shall have the right to reject such supplies or services, or to require replacement or correction. Rejected supplies/equipment shall be removed by and at the expense of the Contractor promptly after notice. If required by the NAFI, the Contractor, after notice of defect or non-conformance, shall, in a timely manner, correct or replace the defective or non-conforming supplies/equipment or services, or any part thereof. When such correction or replacement requires transportation of the supplies/equipment or part thereof, all shipping costs to and from the Contractor's plant or place of business shall be borne by the Contractor.

11. INSURANCE

a. The Contractor shall, at their expense, procure and maintain, during the entire performance period of this contract, insurance of at least the kinds and minimum amount set forth herein.

b. At all times during performance, the Contractor shall maintain with the Contracting Officer a current Certificate of Insurance showing at least the insurance required herein, and providing thirty (30) days written notice to the Contracting Officer by the insurance company prior to cancellation or material change in policy coverage.

c. The Contractor shall also require all first-tier subcontractors, who will perform work on a Government installation, to procure and maintain the insurance required herein during the entire period of their performance. The Contractor shall furnish (or assure that it has been furnished) to the Contracting Officer a current Certificate of Insurance meeting the requirements of "b" above for each such first-tier subcontractor, at least five (5) days prior to entry of each such subcontractor's personnel on the installation.

In implementation of the insurance clause above, the Contractor shall procure and maintain:

(1) Workman's compensation as prescribed by the laws of the state in which the work will be performed and employer's liability insurance.

(2) General liability insurance wherein the NAFI and the United States are included as named insured stating that such insurance is primary (secondary to or contributory with no other insurance). Policy limits of \$500,000 per person - \$1,000,000 per occurrence for injury or death, and \$100,000 property damage per occurrence are required.

(3) The Contractor is responsible for damage or loss to his owned or leased equipment. Claims will be honored only if it can be shown that the NAFI was negligent and caused damage or loss to the Contractor's equipment.

12. INVOICES. An invoice is a written request for payment under the contract for supplies/equipment delivered or for services rendered. In order to be proper, an invoice should include (and in order to support the payment of interest penalties) must include the following:

- a. Invoice date;
- b. Name of Contractor;

14. LEGAL STATUS. The NAFI is an integral part of the Department of Defense and is an instrumentality of the United States Government. Therefore, NAFI contracts are United States Government contracts, however, they do not obligate appropriated funds of the United States. **NO APPROPRIATED FUNDS OF THE UNITED**

STATES SHALL BECOME DUE OR BE PAID A CONTRACTOR BY REASON OF THIS CONTRACT.

15. MODIFICATIONS. No agreement or understanding to modify this contract will be binding upon the NAFI unless it is made in writing and signed by a Contracting Officer from the office that issued the contract or its successor.

16. ORDER OF PRECEDENCE. In the event of an inconsistency between provisions of this solicitation/award, the inconsistency shall be resolved by giving precedence in the following order: (1) Supplies/Equipment or Services and Prices/Costs; (2) Description/Specifications/Work Statement; (3) Special Contract Requirements; (4) Contract Clauses; (5) other provisions of the solicitation/award.

17. PAYMENTS. Payment of prices stated in this contract will be made according to the Prompt Payment Act, as amended. 18. PROOF OF SHIPMENT. (Applicable to shipments outside the United States through the Defense Transportation System {DTS} and Parcel Post shipments to overseas destinations). All sales other than for resale depend on state law or federal constitutional immunity for exemption from state sales and use taxes.

If this contract is for supplies/equipment and is so terminated, the Contractor shall be compensated according to FAR Subparts 49.1 and 49.2 in

effect on the date of this contract award. To the extent that this contract is for services and is so terminated, the NAFI shall be liable only for payment according to the payment provisions of this contract for services rendered prior to the effective date of termination, providing there are no Contractor claims covering non recurring costs for capital investment. If there are any such Contractor claims, they shall be settled according to FAR Subparts 49.1 and 49.2.

In such event, the Contractor shall be liable for damages including the excess cost of reprocurring similar supplies/equipment or services; provided that, if (1) it is determined for any reason that the Contractor was not in default; or (2) Contractor's failure to perform is without the Contractor's or subcontractor's control, fault or negligence, the termination must be deemed to be a termination for convenience. As used in this provision, the term "subcontractor" means subcontractor at any tier.

22. VARIATION IN QUANTITY. No variation in quantity of any item listed in this contract will be accepted unless authorized by the Contracting Officer.

23. PROTESTS. Offerors are encouraged to resolve any complaints or issues they may have with the Contracting Officer in an informal manner. However, where an Offeror is not satisfied with a procurement decision of the Contracting Officer, that Offeror may file a written protest with the Contracting Officer and the Contracting Officer will issue a final decision on the protest. Any interested party who is dissatisfied by the Contracting Officer's final decision on the protest may file a written appeal with the Commanding Officer. The procedures for filing protests may be found in Paragraph 223 of BUPERSINST 7043.1B. A copy of Paragraph 223 will be provided to any Offeror by the Contracting Officer upon request.

The Nonappropriated Fund Activity shall order the Quantity of supplies or services designated in the Schedule as the "minimum."

c. Orders issued during the effective period of this contract and not completed within that time shall be completed by the Contractor within the time specified in the order, and the rights and obligations of the Contractor and the Nonappropriated Fund Activity respecting those orders shall be governed by the terms of the contract to the same extent as if completed during the effective period of this contract, provided that the Contractor shall not be required to make any deliveries under this contract after N/A(date).

d. Contract Period. This contract shall remain in effect for a period of N/A months from date of award. Orders issued during effective period shall be completed by the Contractor, provided that the Contractor shall not be required to make any deliveries under this contract after N/A days after end of contract period. (1) The aggregated of the increases in any contract unit price made under this clause shall not exceed 10% of the original contract unit price;

(2) The requested increase is based upon significant increases in the Contractor's labor and/or material costs;

(3) The increased contract unit price will be effective upon approval of the request by the Contracting Officer which request will be approved or disapproved within 30 days of its receipt by the Contracting Officer who will promptly notify the Contractor of his decision and the date thereof;

(4) The increased contract unit price shall not apply to quantities scheduled under the contract for delivery before the effective date of the increased contract price unless the Contractor's failure to deliver before such date results from causes beyond the control and without the fault or negligence of the Contractor.

(5) Notwithstanding the foregoing, no modification incorporating an increase in the contract unit price shall be granted pursuant to this clause until the Contracting Officer has verified the increased labor and/or material costs relied upon by the Contractor as justification for his request.

INSTRUCTIONS, CONDITIONS AND NOTICES TO OFFERORS

L-1. PREPARATION OF OFFERS

a. Offerors are expected to examine the specifications and all instructions. Failure to do so will be at the offeror's risk.

b. Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the Schedule and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the issuing office.

c. For each item offered, offerors shall (1) show the unit price/cost, including, unless otherwise specified, packaging, packing, and preservation, and (2) enter the extended price/cost for the quantity of each item offered when requested. In case of a discrepancy between a unit price/cost and an extended price/cost, the unit price/cost will be presumed to be correct, subject, however, to correction to the same extent and in the same manner as any other mistake.

d. Offers for supplies or services other than those specified will not be considered unless authorized by the solicitation.

e. Offerors must state a definite time for delivery of supplies or services, unless otherwise specified in the solicitation.

f. Time, if stated as a number of days, will include Saturdays, Sundays, and holidays.

L-2. PROPOSAL SUBMITTAL REQUIREMENTS

Offerors shall submit the following information with their offer:

a. TECHNICAL

(1) Compliance/Exceptions - On a separate sheet of paper, state whether the offer complies or does not comply with the specifications. Identify any "exceptions" to the specifications

and state precisely how the offered supplies/services differ from the applicable specification paragraph(s). Failure to comply with this requirement may result in rejection of the offer.

(2) Product Information - This information is optional. Submit duplicate copies if any literature is provided with the offer. Data displaying more than one model or size shall be clearly marked so as to indicate the specific item being offered. **It will be presumed that the offeror intends to meet all of the specifications, regardless of product information provided, unless the offeror specifically notes its exception per the preceding paragraph.**

b. PRICE - Proposed pricing shall be provided on a unit price line item basis in the solicitation. (Also, be sure to complete all certifications in the solicitation.) The entire completed and signed solicitation shall be returned as part of your offer.

c. PAST PERFORMANCE

(1) Past Performance Worksheet - Offerors shall demonstrate past performance by completing the Past Performance Worksheet (see Attachment 2). Offerors are encouraged to submit brief and concise responses. Data submitted by the contractor other than that requested on the Past Performance Worksheet will not be considered. **Failure to submit the Past Performance Worksheet shall be considered certification that the contractor has no past performance for like or similar items for the Government to evaluate.**

(2) Number of Contracts - Complete the Past Performance Worksheet including information for up to five of your most recently completed Federal Government contracts (not to exceed three years since completion) for like or similar items under this solicitation. If you do not have any Federal Government contracts, then list state, local, or commercial contracts, in that order, to complete your Past Performance Worksheet.

L-3. AMENDMENTS TO SOLICITATIONS

a. If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

b. Offerors shall acknowledge receipt of any amendment to this solicitation by (1) signing and returning the amendment, (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer, and (3) by sending letter (or facsimile, if facsimile offers are

authorized in the solicitation). The NAFI must receive the acknowledgment by the time specified for receipt of offers.

L-4. SUBMISSION OF OFFERS

Offers and modifications thereof shall be submitted in sealed envelopes or packages addressed to the office specified in the solicitation, and show the time specified for receipt, the solicitation number, and the name and address of the offeror.

L-5. LATE SUBMISSIONS, MODIFICATIONS, AND WITHDRAWALS OF PROPOSALS

a. Any proposal received at the office designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it

(1) was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);

(2) was sent by mail or, if authorized by the solicitation, or via facsimile and it is determined by the NAFI that the late receipt was due solely to mishandling by the NAFI after receipt at the Government installation;

(3) was sent by Express Mail (e.g. FedEx, UPS or postal service), not later than 5:00 P.M. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or

(4) is the only proposal received.

b. Any modification of a proposal or quotation, except a modification resulting from the Contracting Officer's request for "best and final" offer is subject to the same conditions above.

c. A modification resulting from the Contracting Officer's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the NAFI after receipt at the Government installation.

d. The only acceptable evidence to establish the date of mailing of a late proposal or modification sent either by U.S. Postal Service registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the proposal, quotation, or modification shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors or quoters should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

e. The only acceptable evidence to establish the time of receipt at the Government installation is the time/date stamp of that installation on the proposal wrapper or other documentary evidence of receipt maintained by the installation.

f. The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by "Express Mail Service" is the date entered by the mail service receiving clerk on the "Express Mail Service" label and/or the postmark on both the envelope or wrapper and on the original receipt from the mail service provider. "Postmark" has the same meaning as defined above, excluding postmarks of the Canadian Postal Service. Therefore, offerors or quoters should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

g. Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful proposal that makes its terms more favorable to the NAFFI will be considered at any time it is received and may be accepted.

h. Proposals may be withdrawn by written notice received at any time before award. If the solicitation authorizes facsimile proposals, proposals may be withdrawn via facsimile received at any time before award, subject to the conditions specified in the provisions entitled "Facsimile Proposals." Proposals may be withdrawn in person by an offeror or an authorized representative, if the representative's identity is made known and the representative signs a receipt for the proposals before award.

L-6. RESTRICTION ON DISCLOSURE AND USE OF DATA

Offerors or quoters who include in their proposals or quotations data that they do not want disclosed to the public for any purpose or used by the NAFI except for evaluation purposes, shall

a. mark the title page with the following legend: "This proposal or quotation includes data that shall not be disclosed in whole or in part - for any purpose other than to evaluate this proposal or quotation. If, however, a contract is awarded to this offeror or quoter as a result of - or in connection with - the submission of this data, the NAFI shall have the right to duplicate, use, or disclose the data to the extent provided in the resulting contract. This restriction does not limit the NAFI's right to use information contained in this data if it is obtained from another source without restriction. The data subject to this restriction are contained in sheets _____ (insert numbers or other identification of sheets"; and

b. mark each sheet of data it wishes to restrict with the following legend: "Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal or quotation."

L-7. EXPLANATION TO PROSPECTIVE OFFERORS

Any prospective offeror desiring an explanation or interpretation of the solicitation, drawings, specifications, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

L-8. FAILURE TO SUBMIT OFFER

Recipients of this solicitation not responding with an offer should not return this solicitation, unless it specifies otherwise. Instead, they should advise the issuing office by letter or postcard whether they want to receive future solicitations for similar requirements. If a recipient does not

submit an offer and does not notify the issuing office that future solicitations are desired, the recipient's name may be removed from the applicable mailing list.

L-9. CONTRACT AWARD - NEGOTIATED PROCUREMENT

a. The NAFI will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the NAFI, cost or price and other factors as specified, considered.

(1) Technical Acceptability - In order to be determined technically acceptable, offers must meet or exceed the specifications in the solicitation and any subsequent amendments. (see Proposal Submittal Requirements) **The offer must be determined to be technically acceptable before further consideration.**

(2) Price - Evaluation of price will include the following factors:

- (X) Single Award evaluation (award to one offeror)
- (X) Evaluation of Options per paragraph b of L-11.

(3) Past Performance - Evaluation of past performance information (see Proposal Submittal Requirements) will include, but not be limited to, relevance and extent of previous contracts, quality and conformance of product/services to specifications, timely delivery and customer satisfaction. Information utilized will be obtained from contractor references as well as any other sources which may have relevant information. Contractor references that cannot be contacted will not be considered. An offer with no relevant past performance history may not represent the most advantageous proposal to the Government.

(4) Other:

- (X) Must comply with applicable wage determinations.

All factors, when combined, are *slightly less important than* price.

b. Options. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

c. A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

d. The NAFI may (1) reject any or all offers if such action is in the public interest, (2) accept other than the lowest offer, and (3) waive informalities and minor irregularities in offers received.

e. The NAFI intends to evaluate proposals and award a contract without discussions with offerors. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint. However, the NAFI reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary.

f. The NAFI may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may be submitted for quantities less than those specified. The NAFI reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit cost or prices offered, unless the offeror specifies otherwise in the offer.

g. A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the NAFI may accept an offer, or part of an offer, as provided above, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the NAFI.

h. Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract. However, if the resulting contract contains a clause providing for price reduction for defective cost or pricing data, the contract price will be

subject to reduction if cost or pricing data furnished is incomplete, inaccurate, or not current.

i. The NAFI may determine that an offer is unacceptable if the prices proposed are materially unbalanced between line items or subline items. An offer is materially unbalanced when it is based on prices which are significantly overstated in relation to cost for other work, and if there is a reasonable doubt that the offer will result in the lowest overall cost to the NAFI, even though it may be the low evaluated offer, or it is so unbalanced as to be tantamount to allowing an advance payment.

L-10. TYPE OF CONTRACT

The NAFI contemplates award of a firm fixed price contract resulting from this solicitation.

PAST PERFORMANCE WORKSHEET

The Government highly prefers that you submit your company's five most recent references (relevant to Cell Phone/Wireless Communications), all of which should be Government references. The Government references should be a Contracting Officer (CO) and a Program Manager or equivalent. Relevance is determined by considering the products provided, dollar value, period of performance, and worldwide delivery and warranty support capabilities. Please refer to the Blanket Purchase Agreement (BPA) Invite Letter for more details. Attached is the Past Performance Questionnaire that must be submitted with your offer. In addition, discuss any contractual vehicles (contracts, delivery orders, etc.) terminated for default by a CO affecting your company within the past five years. Also, describe all instances in which your company has ever been the subject of, or party to, a proposed debarment/suspension case and the outcome. Failure to comply with these instructions may result in elimination from further consideration.

The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial

laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE {Standard Form 1444 (SF 1444)}

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed classes of employees shall be paid the monetary wages and furnished the fringe benefits as are determined. Such conforming process shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees. The conformed classification, wage rate, and/or fringe benefits shall

be retroactive to the commencement date of the contract. {See Section 4.6 (C)(vi)} When multiple wage determinations are included in a contract, a separate SF 1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
- 2) After contract award, the contractor prepares a written report listing in order proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of Regulations 29 CFR Part 4).
- 4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.
- 5) The contracting officer transmits the Wage and Hour decision to the contractor.
- 6) The contractor informs the affected employees.

Information required by the Regulations must be submitted on SF 1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" (the Directory) should be used to compare job definitions to insure

that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination.
